

MANUFACTURING PRODUCT LINE CARD

Machinery

Soak up leaks and drips around equipment to keep work areas neat and clean.

DEFENDER™ Mat

General purpose sonic bonded mat has an abrasion-resistant top layer that gives pads strength for everyday cleanup jobs.

Socks

Ideal for surrounding spills to keep them from spreading. Flexible to conform around leaky machines and offer a snug fit with no seepage.

COMMANDER™ Mat

Best used around machinery, in production areas and under assembly lines and conveyors, and in areas with moderate foot traffic.

Pillows

An economical solution to high volume drips. Use under machines and leaky hydraulic hoses or wedge into corners cramped for space.

Floor Safety Management

Slip and fall prevention starts with keeping floors dry and safe from leaks, drips and spills.

Floor Grabber™ Absorbent Mat

This safe-floor solution sticks tight and flat to the floor in your production areas, walkways and entrances.

Tuff Rugs

Our strongest mats stand up to heavy abuse — leave down much longer than regular mats and save money!

Floor Grabber™ High Traffic Mat

High-traction, adhesive-backed absorbent mat keeps a low profile for exceptional floor safety. Stands up to heavy foot traffic and forklifts.

Leak Diverters

Keep water off the floor by capturing pipe and roof leaks and channeling them away from personnel, office equipment and machinery.

Facility Ops

Tackle spill control at the source throughout the workplace.

Universal DEFENDER™ Mat

Take care of everyday leaks, drips and spills with Defender™ Pads and Rolls.

Spill Control

Build your own custom barrier around equipment or storage, indoors or out, in any areas where leaks, drips and spills happen regularly.

Flat Socks and Pillows

Unobtrusive and easy to store, Flat Socks and Pillows are perfect for controlling HVAC or water line leaks.

Drain Protection

Keep unwanted liquids out of your drains with our tough, easy-to-handle polyurethane DrainCovers.

Wheeled Spill Kits

Respond quickly to spills anywhere in the workplace with SpillTech's wide range of Wheeled Spill Kits.

Leak Diverters

Keep water off the floor by capturing pipe and roof leaks and channeling them away from personnel, office equipment and machinery.

ABSORBENCY
KEY

Oil Only

For oils and oil-based liquids, not water

Universal

For oils, coolants, solvents and water

HazMat

For acids, bases and unknown liquids

Water

For water only

Tool Crib

Use our high-quality products to keep your work areas clean and neat at all times.

Oil-Only CONTRACTOR GRADE Mat

Budget friendly for land and water response.

Oil-Only DEFENDER™ Mat

Our Defender™ line of Pads and Rolls has an abrasion-resistant top layer for extra strength to perform everyday cleanup jobs.

Mini Absorbent Rolls

Commander™ Rolls are free of damaging grit and dust, so they're perfect for delicate sensors, parts and tools. Add optional magnetic roll holder.

Battery Acid Spill Kit

Everything you need to handle a battery acid spill! Pads, socks, pillows and PPE are all included in this pre-packed kit.

Wipers

Keep SpillTech wipers in stock to wipe down tools, equipment and hands. Choose from a wide range of styles.

Universal Loose Sorbents

Avoid the safety hazards of clay with a safe, recycled, environmentally-friendly loose absorbent such as Gran-Sorb Cellulose Loose.

Bulk Fluid Storage

Comply with regulations and keep your facility and environment safe from leaks and spills.

Universal DEFENDER™ Mat

This sonic-bonded mat is ready to handle the inevitable spills, sashes and drips that come with bulk fluid storage.

Drum Top Absorbents

Catch the leak and drips from drum pumps and keep your drum storage areas clean and neat with SpillTech DrumTop Pads.

Large Wheeled Spill Kits

Be prepared for even the biggest spills with our high-capacity wheeled Spill Kits and Carts.

Wood Plugs

Be prepared for emergency leaks with these large wooden plugs and wedges that conform to openings for temporary protection.

Spill Pallets

Store drums and other leak- or spill-prone containers on one of our range of pallets and comply with regulations.

Containment and Sumps

Keep your storage area clean and move your drums with ease using our Poly-Dolly and Poly-Rack dispensing stations and storage systems.

Spill Control

Build your own barrier around equipment or storage, indoors or out, in any areas where leaks, drips and spills happen regularly.

Drain Protection

Keep unwanted liquids out of your drains with our tough, easy-to-handle polyurethane DrainCovers.
